Dear Kindergarten 2020-2021 Families and Caregivers,,

Greetings from Harwich Elementary School! Our school staff eagerly awaits the arrival of your kindergarten student next school year. We are honoring our traditional kindergarten transition process as much as possible in this virtual school environment. In a typical school year, families would meet with me for a short orientation while your incoming kindergarten student joined the kindergarten staff for a brief screening.

In this virtual environment, instead of an “in person” meeting please plan on attending the **HES Kindergarten Family Orientation on Wednesday, June 10, at 7:00 pm**. Please join me and Sharon Hughes, Assistant Principal, for an overview of our kindergarten program and for a Q&A session. Here is the information for how to join this Google Meet:

A very important part of our transition process is the [Incoming Kindergartener - Family Survey](#) that caregivers would usually complete at the spring kindergarten orientation at the school. We have created the survey in electronic form to gather this critical information about your student. Please plan on setting aside 30 minutes to complete the survey (unfortunately, it must be completed in one sitting). **It is very important that this survey is completed by June 8**. The information that you provide is held in the strictest of confidence by our kindergarten teachers.

At this time, we do not know what school will look like in the fall, however, what we do know for certain is that we look forward to meeting all of your boys and girls and welcoming you to the Harwich Elementary School community! Please feel free to contact me at any time with any questions or concerns at moldach@monomoy.edu . “See you” June 10th at 7:00 pm.

FIns up!

Mary Oldach
